

Queen Victoria Hospital  
NHS Foundation Trust

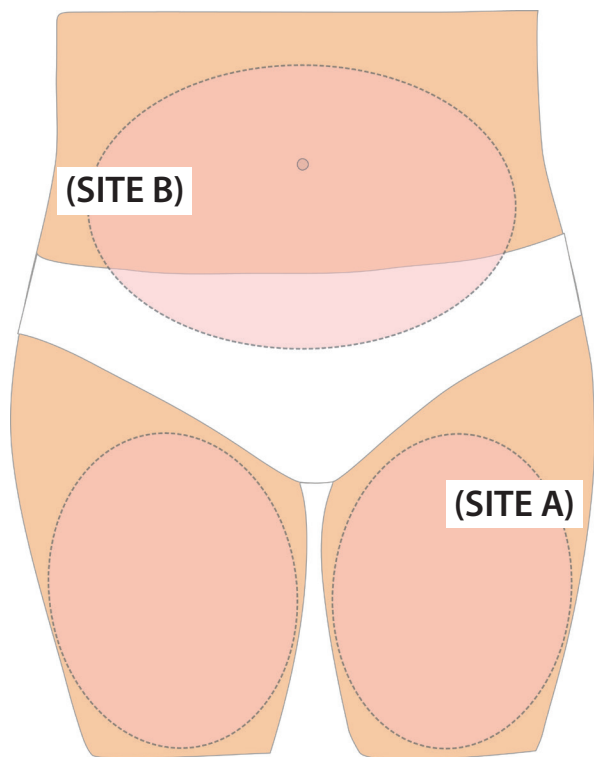

# Dalteparin Injections (Fragmin®)

Please select your injection site carefully. We do not want you to inject into the donor site that is going to be used for your reconstruction.

If you are having a DIEP/MS-TRAM reconstruction using your abdomen/tummy – please inject into outer thigh (Site A).

If you are having a TUG, DUG, LUG reconstruction using your inner thigh – please inject into your abdomen/tummy (Site B).

Please ask if you  
would like this leaflet  
in larger print or an  
alternative format.

Breast care Nurses

Issue 1 – ref 0065

Approved by the Patient Information Group

Print March 2020 – Review March 2023
